MEMORANDUM FOR: Executive Secretary, CIA Management Committee

SUBJECT: Approval of Candidates for Residential Program in
Executive Education, Federal Executive Institute

1. This is to recommend your approval of eight principal candidates and four alternates to be nominated for the Residential Program at the Federal Executive Institute, 1973-74.

2. The Training Selection Board met on 20 March 1973 to consider the nominations of twelve candidates to fill the Agency's quota of eight shares for the five sessions of the program during fiscal year 1974. Before reviewing the nominations, we discussed at length, with each member speaking for his directorate, the question whether we should continue with the eight shares or cut back to five, one for each session. Our first inclination, given the present group of candidates which includes three GS-15's, was to advise the Civil Service Commission that we would take only five shares for FY 74 but that, depending on the Agency's supply of supergrades and the Commission's willingness to accept GS-15's, we would be willing to consider more for FY 75. After reviewing the nominations, we agreed to continue with the eight shares, in the hope that all eight candidates will be available at the designated times. Another reason for this continuance is your interest in sending more officers from the DDO.

3. I recommend your approval of the following principals and alternates:
